Information, Master of Information, concurrent registration option program requirements

Concurrent Registration Option (CRO)

Students who have been accepted into both participating programs, with the permission of each Graduate Coordinator, may register concurrently in the Master of Information (MI) and Master of Museum Studies (MMSt) programs. The minimum period of registration required to complete both degrees in the concurrent registration option is three years.

Students in the CRO must complete a total of 13.0 FCEs (26 half courses) as follows:

For students who choose the concentration pathway to fulfil the MI degree requirements:

- 0.5 core full-course equivalents (FCEs) (INF 1005/1006H) in the MI program, counted towards the MI degree;
- 2.5 required FCEs identified for the chosen concentration, counted towards the MI degree;
- ~~3.5~~ **2.5** FCEs in required courses in the MMSt program, counted towards the MMSt degree; (see amendment made on May 26, 2014)
- at least 2.0 FCEs in elective courses in the MI program, to be counted towards the MI degree;
- at least ~~4.5~~ **3.0** FCEs in elective courses in the MMSt program, to be counted towards the MMSt degree; (see amendment made on May 26, 2014)
- an additional 3.0 FCEs in elective courses chosen from the MI program, the MMSt program, or from other programs (maximum 2.0 FCEs from other programs), to be counted towards both the MI and the MMSt degree.
