

Amendments to the 2015-2016 SGS Calendar

The *School of Graduate Studies Calendar* is published in both online and PDF versions. Every effort has been made to ensure the compatibility of both versions. In the case of any discrepancy, the online HTML version shall apply.

Any post-publication corrections or amendments to the PDF edition of this calendar will be posted on this web page. Visit regularly to keep informed of updates.

Seven amendments to the *2015/2016 SGS Calendar* since the PDF became available on June 25, 2015:

1. Global Health

August 10, 2015: Revised the Global Health collaborative program requirements.

2. Book History and Print Culture

August 31, 2015: Removed Language and Literacies Education as a participating degree program from the Book History and Print Culture collaborative program.

3. Environmental Engineering

September 3, 2015: Admissions to the Environmental Engineering collaborative program was suspended.

4. Chemistry

September 17, 2015: Revised the Chemistry calendar entry, Polymers and Materials Chemistry program requirements.

5. Public Health Sciences

October 2, 2015: Corrected the course weight from Y to H for CHL 3051H Research Ethics in the Public Health Sciences calendar entry.

6. Translational Research in the Health Sciences

November 17, 2015: Revised the Translational Research in the Health Sciences program requirements; corrected the sessions in which MSC 2021Y and MSC 4000Y are offered.

7. Management, Rotman School of Management

December 22, 2015: added the new Graduate Diploma in Professional Accounting (GDipPA) program to the Management, Rotman School of Management entry.

Graduate Diploma in Professional Accounting (GDipPA)

Minimum Admission Requirements

- Applicants are admitted under the General Regulations of the School of Graduate Studies. Applicants must also satisfy additional admission requirements stated below.
- Interested students from other undergraduate programs may be eligible to apply to the GDipPA if they demonstrate that their undergraduate learning outcomes are similar to those of U of T's accounting programs. Please visit the website for contact information.
- An appropriate four-year undergraduate degree:
 - ▶ a University of Toronto bachelor's degree with a Specialist in Accounting. Students may apply in the year following graduation, possibly with some relevant work experience.
 - ▶ a commerce/business degree acquired outside U of T will be evaluated on a case-by-case basis on whether it is substantially equivalent to the U of T bachelor's degree with a Specialist in Accounting and includes the necessary prerequisite material.
- Grade point average:
 - ▶ a minimum B average in the final year of undergraduate study.
 - ▶ successful completion of the entry qualifications for the CPA Professional Education (CPA PEP) program; namely, completion of the required subject area courses with the required overall average (currently 70%) and minimum grade (currently 60%) in each individual course as set by CPA Canada.

Program Requirements

- Students must complete 2.5 full-course equivalents (FCEs) (five half courses) as follows:
 - RSM 7201H Advanced Financial Reporting
 - RSM 7202H Advanced Taxation
 - RSM 7203H Advanced Topics in Assurance and Control
 - RSM 7301H Finance and Professional Practice
 - RSM 7204H Integration and Analysis

Program Length

1 session full-time (typical registration sequence: S)

Time Limit

2 years
