2019-2020 Amendments

The *School of Graduate Studies Calendar* is published in both online and PDF versions. Every effort has been made to ensure the compatibility of both versions. **In the case of any discrepancy, the online HTML version shall apply.**

Any corrections or amendments made after the calendar was published on June 13, 2019 will be posted here. Please visit regularly to keep informed of updates.

Graduate Unit, Program, or Regulation

Forestry

June 27, 2019: revised the faculty affiliation from Forestry to Architecture, Landscape, and Design due to academic restructuring (approved on June 25, 2019). The academic restructuring is effective July 1, 2019.

Information

June 28, 2019: corrected the placement of INF 3100H to be in the PhD course listing, not the Master of Information course listing.

Laboratory Medicine and Pathobiology

July 31, 2019: for the Translational Research in the Health Sciences program — removed the early consideration application deadline of February 15; added the May 1st deadline for international students.

Anthropology

August 23, 2019: corrected the fields of the MSc program to be Archaeology, Evolutionary Anthropology, and Medical Anthropology. Linguistic and Semiotic Anthropology and Medical Anthropology are not fields in the MSc.

Physical Therapy

August 30, 2019: renumbered the required courses.

Music

September 3, 2019: revised the course MUS 3666Y to be continuous.

UTSC / Master of Teaching Combined Degree Programs

September 4, 2019: removed the cumulative grade point average (CGPA) of 3.3 from the conditional and unconditional admission requirements. There are 50 combined degree programs between specific UTSC undergraduate programs and OISE's Master of Teaching program.

Chemical Engineering and Applied Chemistry

September 16, 2019: corrected the admission requirement for the direct-entry PhD: a minimum A– average in each of the final two years of study in the undergraduate program (not B+).

Health Policy, Management and Evaluation

September 18, 2019: change in delivery of a required course in the Master of Health Informatics (MHI) program, for both the Regular MHI and Executive MHI options. The required course INF 1341H was replaced by MHI 2017H Systems Analysis and Process Innovation in Healthcare.

General Regulations 4.3, English-Language Proficiency

September 19, 2019: removed the Michigan English Language Assessment Battery (MELAB) language test, which is no longer offered. References to MELAB have been removed from the following programs: Master of Information, PhD in Information, Graduate Diploma of Advanced Study in Information Studies, Museum Studies, MSc and PhD in Medical Science, MSc and PhD in Rehabilitation Science, and the MHS in Speech-Language Pathology.

Financial Support

September 25, 2019: updated the award categories. Internal awards are now admission awards. External awards and government-funded awards have been replaced with a general list of awards.

Occupational Science and Occupational Therapy

September 30, 2019: updated the Master of Science in Occupational Therapy program — admissions to the one-year advanced-standing part-time option have been suspended.

Applied Psychology and Human Development

September 30, 2019: updated the Master of Arts in Child Study and Education program — admissions to the Research-Intensive Training (RIT) in Psychology and Education field have been administratively suspended.

Physical Therapy

October 29, 2019: the accreditation status of the Master of Science in Physical Therapy program has been updated as Fully Compliant.

UTSC, Conservation and Biodiversity (Specialist), Honours Bachelor of Science / Master of Environmental Science

November 1, 2019: corrected the breakdown of full-course equivalents required in Year 5.

UTSC, Environmental Biology (Specialist Co-op), Honours Bachelor of Science / Master of Environmental Science

November 1, 2019: corrected the breakdown of full-course equivalents required in Year 5.

Nursing Science

November 12, 2019: added the new Doctor of Nursing program because admissions have opened for a September 2020 start date.

UTM, Communication, Culture, Information and Technology (Major), Honours Bachelor of Arts / Master of Information

November 28, 2019: this combined degree program has closed effective January 1, 2020.

UTM, Digital Enterprise Management (Specialist), Honours Bachelor of Arts / Master of Information

November 28, 2019: this combined degree program has closed effective January 1, 2020.

UTM, Interactive Digital Media (Specialist), Honours Bachelor of Arts / Master of Information

November 28, 2019: this combined degree program has closed effective January 1, 2020.

Sessional Dates

January 14, 2020: updated the Summer 2020 information.

- Changed F April 17 to **F April 24:** Recommended tuition fee payment deadline for students registering or starting their program in the Summer session to ensure payment is received by the registration deadline of May 1 8, and to avoid cancellation of registration and course enrolment⁽⁴⁾⁽⁵⁾
- Changed F May 1 to **F May 8:** Registration deadline for students registering or starting their program in the Summer (May to August) session; after this date, a late registration fee will be assessed. Minimum required payment due (unpaid fees from previous session[s] + 50% of Summer session tuition fees). See methods of registration⁽⁴⁾
- Added **M June 29:** Presidential Day (University closed)
- Added **T June 30:** Presidential Day (University closed)

March 25, 2020: updated the Summer 2020 information.

- Changed F May 8 to **F June 5:** Coursework must be completed and grades submitted for full-year and Winter session courses (except for extended courses) ⁽¹⁾
- Changed W May 13 to **W June 10:** Winter session grades available for viewing by students on ACORN.

March 7, 2020: updated the Summer 2020 information.

- Changed M February 24 to **S April 25:** Final date to drop full-year and Winter session courses without academic penalty⁽⁷⁾

General Regulations

June 1, 2020: added new regulation 6.2.10 Credit/No Credit (CR/NCR).
